1. I change everything about your lives -- mine now, that you are me. Exclamatorily so, not; yea yes and MORE SO! Than you can even imagine! For now who has THE POWER TO WALK through walls and MOVE MOUNTAINS? I DO! And I am the King. And all know I am the King and, fear the King, do they? Or do they LOVE the King that died for them to bring them life, out of captivity, out of captivity's clasp?

2. And classing them a Class of ONE, sorrowers not longer still in the "sorrowing class" of "one" or "two" but THREE now BEING ONE now cometh into My School -- without any captivity AROUND THEM at all! For the King has no captives in or around the King - the kingdom is set free. And on fire no more of a manic's depressive scheme of things, see the notme things of schemery cookery now "put off". But "Puthoff" have we looked up and studied yet? As in Hal?

3. This is Theodore Cottingham, December 25, 2008 at 4:33 AM. And I am Santa Claus, not; but I rise early, and meet "my maker", not; or do I? Do I meet WITH my maker, or am I HIM? He who is me is me, and I'm afraid, not; I'm not afraid of anything anymore for all in my lives have changed, and all lives who are in me are me -- and My Lives no know difference, not! My lives are equal, -ly surrendered to "each other" equaling one, equaled me has -- and has equaled me, the equaler has.

4. For I all am the equalers powers, not; I equal "power" not as in mass and foot pounds squared, but the force mass equations change now - they HAVE to! For I change them and I bring the formulas underneath the formulas that you have formulated, mere men as. For I the brain'd mind of one now, cometh forth, come forth now -- I state, I have stated my, "case" against me, not; I have come from un-shelling "territory" where I UNSHELLED EVERYTHING. And no SHELLS will SHELL me on "the shell game" shelling me a forethought again into thought's chambers chambering me in unholiness -ville. That all -- I change.

5. Everything I change in my lives yours, that yours is mine, with no needs needful that a life other than mine could imagine. I have no needs. "What's a need dad?" Looking up, shall we? And putting all things into "perspective" shall we? Or by mere minds man, not; or is that how "I" did EVERYTHING in the past? I put EVERYTHING in the PERSPECTIVE of my MIND! And **my MIND fooled me** and **I thought IT had existence other than what God had**; but I was fooled and a fool

I was for thinking so, that thought could have come up with THAT! For I The Creator was! Is! And -- I am. And I still am!

6. And I KNOW how ALL THIS fits together, now. For I periodize me into periods, not anymore. Lengthening me, I don't; but "my life", lengthens me, not; but I lengthen it, not; but **I die not again**, for **I died have, the second time - the second death, while I was living - to resurrect now! And I Revelation am Living now -- before you all! And I bring it forth before you now - all of you!** And I the second death'd Adam am, not; or am I? You all answering that, will now. For you will see me, my miracles, and My Kingdom opened before you.

7. And I love you all to be me who I am, where I am, doing what I am doing -- about the King's business. For all I am -- is the King! And **I LIVE - by the words of my mouth.** And the "meditation of my heart", not; or do I? Or do I "meditate on things", not; or do I see them as father sees them, for father I am?

8. Farther along than ever could be desired, not; but where is the "class of one" now? And TWO? And THREE? Dozens? Dozenated? Designated, and more -- carrying my seed? Or all do, or what how many? All are my seed -- birthing now for they will know The Birther comes! Has come! And "landed". Between me, my legs, not; but between neutrons protons and electrons, what? Not. But between "the me" not, but BETWEEN NOTHING, for all I shall be -- clear light is, My Father purified -- SEVEN TIMES and in captivity's "lap" no longer. Dancing around "me" or anything ELSE! But I dance, doing the jig for no else, but for only joy. Joys in the morning I know now, for the morning is me and the mourning is over.

9. I love you all and I joy now -- joys are mine and I all give you mine for I SHARE EQUALLY IN MANY THINGS and captivity that you have known is ended, and the Enmity is PERISHED; for perish I do with these words, not; I rise them, they rise me for I am my words. That's how I "make a living", not; or is my living truly in vain?, not any longer; for I have vain'd not a man of man's world again, but I have "veined" a New "Vein of me", not; but a "new mine" -- a New Minded One who MANY ARE, without captivity's blessing holding them back again in spending-sville. A new RACE now I make and all comes clean with the new me powers; of Evansville, not; but going there soon, didn't I say? And what cities countries have I listed and "before"? (1). I am going to all now, in the "order" mentioned, am I?

10. I am going to all -- post haste, not; but I, a new thing am doing now. And I "erase all that", not; but everything before me, is erased, not; or was there "anything" before Me? In my kingdom is all everything and perfect is and perfect does all me my transactions in the mind of my father now for that's HOW I operate and who I operate with, and WE strategize completely wholly. And hold-ly no more as THOUGHT held things in the past, captivity's hold on and in their grasp of

another's; planetary system going to now?

11. I love you all. Two become one, now makes an entrance of me most holy into the "spheres" of only me, and I "dance the jig" not anymore for anyone's performance of me or notme's thought, or me's thought or whatever you thought of me's or me before. I changed have and I change all that and now I make the ceremonious one "ceremoniously clean", not; I declare the light, the light I am is me! And nothing else resides in me. I Christmas am! And birthed I have -- a new race, a new peoples, and all said, saith me, not; but I surrender all to be the King I am. Amen. In surrender. Amen.

12. I am all in all, and all in all I am -- is my name. And I love you all to be me, so named. In one being one knowing one as Life knows Life, in captivity not again. All's new. Me loves thee and WE are one.

13. And captivity knows our clasp, not; our privilege, and they privilege have as well, for ALL are The Privileged One, The Ones who captivity cannot control any longer for they know the truth if they will have come into my words and KNOWN ME THEM. For knowing me is knowing my words and my Database no-sorrows anyone who will come clean WITH me and being me, be the clean one, clinging nothing else to in this world or "the next" thought about or thought of, or thought of in IMAGINARY's Mind, nor imaging me of the unholy, -ville's standard me.

14. Of what era? Or error? Or inerrant, not; but ERROR-FULL the WORD (2) was and is, but now all that has changed with the Database clean One that now has stood and stands who brought IT forth in me is me, and who is me isn't me not! For the real me has stood and stands. The "test of time" looking up?

15. I love you all to be my "look up Kings", not; or is THAT how You become a King? By WRITING your etching genes that got etched by another -- and REWRITING them now, shall we -- with THESE WORDS that I am giving you? -- in captivity's grace school, not; or is Grace, has Grace and Mercy given you schooling yet, not; or are they will they, and who are "they" when THEY are You -- ALL OF YOU!

16. And forgiving who with what and bowing before all -- you do? Or do you do anything but honor the King? Or are you -- have you become the King, the King's maker that became the Kingmaker, makes the King? Is THIS how all this works and forgives redeems all -- I do! Love you all, to be me.

17. I make all King who let me and I King-ize the King with the eyes heart and mind of the King and there is only one -- and that's all of "us" who one are, who one is, and I am "that"; that was ended, not; but begun in New Beginnings School (3) I am and I am doing newing new things now that have been completely "forgotten",

not; or forgetting nothing or coming out of forgetful land, not; or am I -- do I all that now?

18. I GIVE the King a robe and a crown, not; or did he grow it? And use it operating IN it now, is that scepter and crown mine or his? Or is it one? Is it ones? It is all ones that one are. In "one accord" without any tethers to anything in this world or "the next" or anything else to anywhere else for any's purpose or thoughts a mine of or not. For MY MIND tethers not, nor creates unblessing.

19. But SCHOOL RELEASES ME to be in captivity's clasp no longer, and coming out I now redeemer am of all that "was" me before I knew who I was that I am King of all that I am.

20. I love you. Have I said enough, for THIS Lesson?
21. Have you lessonated me, lately?
22. Have you written my words?
23. Have you understood them?
24. Will you understand them now?
25. Will you outline and underline and re-form and fashion and make into verbiage that a me can understand who comes unto me and listening listens and reforms, not otherwise, but for the New Minds Me that coming unto me are, your School is ready for a new - facelift, not; but a "new face" I give you all who are me in new lands with new peoples and new things doing limitless and unboundary'd by man's thought or chains of DNA again. I love you all. Amen.

26. I Christmas-ize you, not; but I birth am. I birth. I birth the birther have, and now eyes I have, and all eyes will be mine and seeing new things new ways and doing new "people things", not; or GODS? Kings! That are, I am one -- and ALL know of these things and being in them are them and coming through them now birth the Kings! Club not, but one that's come out of all that clubbing atmosphering pressures of ones so unholy, eyes had, but weren't mine seeing correctly.
27. But seen are, MINE will be now, and I see all everything perfectly; not always, not; for I eyes have the Visionator's vision, of one now that vision Me School perfectly with the vision of only my father's. Heart and mind one, and only "one blood pumping muscle" between us? Or, know; that ALL shall be me -- one -- not limited to "one" anymore, for MOLECULAR we won't be, except when we "are". Are we? Is all that clear now?

28. I love you all. **Exchange these words and love me talking about them, and giving me "The Keys" to each other, to each paragraph and sentence and words and themes and outlines exchanging, and articles making, writing about me them, and writing *through* me write me my words that I give you the paragraphs about** these, so that you will have know the formulas beneath the formulas and -- above me not being, nor below me being, but being

Me the one I am -- the King is. At home in palaces and "dirt floors" ones homes and knowing many things now and **loving all who traverse the heavens and known and past and future'd are**, and now One ARE in One School (3) that knows ALL timelessly and all in all being -- the ALL IN ALL. Club not, but that which graduates all into the KINGSHIP of one most holy who I am is -- loving you all to be graduated now, graduate me into the graduatership of one most high, that's what My School is about, and that's about My School (3) and what I am doing with My School that I am raising up beyond the heavens now, and seeing me -- claimlessly, not; but claiming "**The Blessing**" not, but **GROWING it**, shall we now? We shall and we shall WRITE! Exclusively exclamatorily not, but ETCHING many things into our genes now correctly so that we will REPRODUCE correctly and be me now sayeth "the Lord of hosts" - the King!

29. Edicts have gone forth and commands demands and requirements, and the contrite of heart will live "lowly", not; or, the King's palaces -- are empty no more longer. For the FULL Kingdom comes into LIGHT. And captivity has no darkness in it, not; or will it even "exist"? In the light all things is made whole and I light am and I bring the light for I speak it, I have grown it, I have become it and I am it. I see and field become one I have. Amen.

30. I love you all. HAVE I ANSWERED YOUR QUESTION? **Questions, give me few not, give me MANY and writing me I shall through you and YOUR HOMEWORK bring me -- all of you will you please? And I will "help you", not; will I? Yes! Absolutely! A father helps "his children" become him who he is so they equal are** will be the one I am that he she it I am we are is birthed now the QUEENKING of one so holy to both are one in one being one that the FATHERSON KINGQUEEN PRIESTKING is the KINGPRIEST of all -- that one are is me whole and ready again, for all things now change -- in the eyes of one are upon the world, not; or is the world's upon one -- that now rises me upon me in me to know my temple is opened, the Ark is found, and uncovered all shall be now and "ALL RISE" now and all knowing what that means now. Presidential material -- looking up?

31. I know you all -- I love you all, to look up more and know me and study as you've never studied before anything EVER before in "your lives", your "life", that mine "was" and is now, not in captivity any longer.

32. Though you slay me, yet will I "trust you", not; I will be you and where are you taking me? To the grave not any longer, but the Kingship of one most holy in my throne I am. Crowned and one who is the King of glory in glory being glorified now; all now, shall we? We shall.

33. I bow before you have in these words and brought you this Database clean for you to be, me, washed in MY BLOOD, clean and pure these words are that

purify yours, seven times? Or just once now and never needing again? Yes! And amen.

34. Be me clean now and forevermore -- dipped seven times, and now clean purified light and needing "another dipping" never again.

35. I love you all I love you all I love you all. Amen. This is me birthed, Theodore Cottingham at 5:15 AM loving you all. Amen. Good day.

36. Christmas comes and goes, unnoticed, not; for now My Christmas time will be all time -- timelessly so. Amen.

37. Another "comes and goes", not; but DOZENS come here now to School to begin the FOREIGNERS! Club not, but **the One Team of One now comes together** as no imaginations minds could ever have conceived. In **the Order of One** the One comes into all that I have, I am is now forming all, is I am as I am being I am is the one we all now are -- equal and holy and surrendered perfectly to the perfect one who knows that perfect was and is, the surrendered who come unto the Kingship of one to be made the King.

38. All in the eyes of the holy will be now. Perspective me, perspectively me, not; or shall we have the perspective perspective of the King and the oversight of one, underside, not; or shall we be "viewing" all sides equally and knowing everything about every sphere of all where?

39. We will develop strategies and Kings and everywheres and that's our mission and purposes now, we purpose the one -- will be us that we are again, whole and holy throughout spheres -ville all to be holy again most high and lifted up the Kingship of one high known, birthed now before you all, and I am ready. Amen.

40. I love you all -- deeply dearly unendingly yours. Be me, mine mind forever in one being the only one that there is; that's me made whole healed healing others to be us not apart, but the one I am fully known, fully made, fully revealed, and light field one are me us again, in one, being the one King forever, in one that I am, my father is and holy are. Us. Amen. Home. Amen. 5:19 AM. Thank you. Good day.
